ABOUT ME

A motivated individual with strong communication and problem-solving skills. Quick to learn and adapt to new environments, comfortable working both independently and as part of a team, and always looking to grow my skills and gain new experience.

OBJECTIVE

Motivated and detail-oriented aspiring Web Developer with a strong interest in creating responsive, user-friendly websites. Skilled in HTML, CSS, JavaScript, PHP, and basic database management. Passionate about learning modern web technologies and helping businesses grow through professional communication and effective outreach. Eager to gain real-world experience and contribute to a dynamic team environment.

EXPERIENCE

Home Tutor
1 year of experience
