ABOUT ME

A motivated and adaptable individual with strong communication and problem-solving skills. Quick to learn and settle into new environments, comfortable working both independently and as part of a team, and always looking to grow my skills and gain new experience.

OBJECTIVE

Motivated and detail-oriented aspiring Full-Stack Web Developer with a strong interest in building responsive, user-friendly websites. Skilled in HTML, CSS, JavaScript, PHP, WordPress and database management with MySQL and SQL Server, and currently expanding into C#. Passionate about learning modern web technologies and helping businesses grow through professional communication and effective outreach. Eager to gain real-world experience and contribute to a dynamic team.

EXPERIENCE

Home Tutor

1 year of experience

- Taught students one-on-one with clear explanations.
